

# ENGINE, POWER GENERATION & PRODUCTION EQUIPMENT

WPI is proud to offer the following engine, power generation & production equipment products

## Engines

- ◆ INNIO Waukesha Gas Engines Parts
- ◆ Arrow Engines
- ◆ White Superior Engines
- ◆ Caterpillar Engine Parts

## Accessories

- ◆ Altronic
- ◆ Amot Safety Controls
- ◆ Bosch Spark Plugs
- ◆ Champion
- ◆ Continental Controls
- ◆ Deming Pumps & Parts
- ◆ Denso plugs
- ◆ Fisher Gas Regulators & Parts
- ◆ Heinzmann
- ◆ Impco Carburetion
- ◆ Ingersoll-Rand Air/Gas Starters
- ◆ IPD Replacement Parts
- ◆ Kenco Lube Controls
- ◆ Kim Hotstart Systems
- ◆ Mooney Gas Regulators and Parts
- ◆ Motortech
- ◆ MP / Jaeger Pumps & Parts
- ◆ Murphy Gauges & Control Panels
- ◆ Precision Catalyst
- ◆ Ren Lube Controls
- ◆ Stitt
- ◆ TDI Air Starters
- ◆ Thomas Couplings & Parts
- ◆ Turbo Supply Turbochargers Twin
- ◆ Woodward Governors & Parts

## Power Generation

- ◆ INNIO Waukesha Enginators & Generators
- ◆ Generac Natural Gas, Diesel & Propane Generators
- ◆ Magnum Power Mobile Generators

## Additional Equipment

- ◆ Baker Hughes Hydril blowout preventers
- ◆ Safety & Kelly Valves
- ◆ Pulsation Dampeners

## Compressors

- ◆ Ariel Compressors & Parts
- ◆ Dresser Rand / Worthington
- ◆ Endyn/White Superior

## Production Equipment

WPI is proud to offer the following engine, power generation & production equipment services

## Engines

- ◆ Certified field and shop overhauls
- ◆ Field and shop repairs
- ◆ Emission testing and engine tuning
- ◆ Engine component repairs & rebuilds
- ◆ Exchange Engines
- ◆ Installation, startup & troubleshooting
- ◆ Planned Maintenance
- ◆ Remanufactured Engines
- ◆ Replacement / re-powered engines
- ◆ Warranty repairs
- ◆ 24/7 emergency service

## Compressors

- ◆ Field & shop repairs & overhauls
- ◆ Planned Maintenance
- ◆ Troubleshooting

## Power Generation

- ◆ Fabrication of custom systems
- ◆ Field and shop repairs & overhauls
- ◆ Installation & startup
- ◆ Load bank testing
- ◆ Planned Maintenance
- ◆ Troubleshooting
- ◆ Warranty repairs
- ◆ 24/7 emergency service

## Additional Equipment

- ◆ Application Engineering
- ◆ Technical Support
- ◆ Training Programs

## Production Equipment

- ◆ Operator based training
- ◆ Installation and startup
- ◆ Scheduled maintenance
- ◆ Emergency call-outs
- ◆ Equipment cleanings
  - Dehydration Units
  - Condensate Stabilizers
  - Other equipment
- ◆ Maintenance
- ◆ Performance analysis
- ◆ Emissions testing
- ◆ System upgrades inspections
